For example, if you want to find your house:

1. Click on *I want to...*

2. Click on *Go To...*

3. Click on *Search Parcel by address or by owner...*

This process will zoom the map viewer to a specified area of interest. How would you like to define that area?

- Search Parcels by Owner
- Search Parcels by Address

Next

4. Enter the Address or Owner.
